

SCE&G-Florence MGP SITE 553 North Irby St., Florence, SC

Notices of Public Meeting, 30-day Comment Period & Availability of Administrative Record

The South Carolina Department of Health and Environmental Control (DHEC) is investigating the release of hazardous substances at the former Florence MGP Site (the "Site") located at 553 North Irby St., Florence, SC. DHEC will hold a public meeting on **Thursday, September 21, 2006, at 7:00 pm** at:

**Williams Middle School's Cafeteria
1119 N. Irby Street
Florence, South Carolina**

During the public meeting, DHEC will provide information regarding: 1) the contamination at the Site, 2) the cleanup alternatives considered by DHEC; and 3) DHEC's preferred alternative for cleanup. DHEC will provide an opportunity for questions and comments at the meeting and will make its final decision of the cleanup alternative after consideration of any written comments submitted to the Department by October 22. DHEC will also seek information as to how the public would like to be informed in the future of the cleanup activities at the Site. The public is encouraged to attend the public meeting.

DHEC further announces the Administrative Record for the Site will be available at the Florence County Library at 509 South Dargan St., Florence, SC, on September 21, 2006. The Administrative Record

includes documents that form the basis for the selection of the cleanup/response actions.
